

3 Reasons to Vote NO – Lyle Shelton

On Tuesday, survey forms will begin to be posted to homes around Australia.

This survey is a referendum on whether we want radical LGBTIQ sex and gender education programs in our schools, it is about free speech, and – importantly – freedom of religion.

Watch former Prime Minister John Howard speak about the direct threat to the Christian presence in the public sphere in [this brief video](#).

“Changing the definition of marriage...is not an exercise in human rights and equality, it is an exercise in de-authorising the Judaeo-Christian influence in our society”

The Honourable John Howard OM, AC

Please take the time to watch this important video and share it with your church this Sunday.

The consequences of redefining marriage are real. For more information on the impact a change in marriage law will have on every Australian family, please visit [3 Reason to Vote NO](#).

I encourage you and your church to keep praying, [know the consequences](#), and [volunteer for the campaign today](#).

God bless
