

## **National Day of Prayer and Fasting**

The team at the National Day of Prayer & Fasting is excited that the overwhelming majority of Christian leaders in Australia are publicly rejecting the redefinition of Marriage. We along with Ps Wayne Alcorn encourage you to read a three page document called '[What Legalising Same Sex Marriage Means for Christians in Australia](#)'.

Key Aboriginal Christian leaders are also supporting this call for prayer and fasting to protect marriage from redefinition. Ps Brian Lampton, with the support of fellow indigenous leaders, has called for a [Marriage Declaration](#) to be read out in churches all over Australia on the beginning of [Marriage Week](#) on Marriage Sunday, 10 September, two days before the Day of Prayer and Fasting for Marriage on Tuesday 12 September 2017.

For more information regarding the Indigenous perspective on the sacredness of marriage go to: [www.ulurubarkpetition.com](http://www.ulurubarkpetition.com)

Please pass this info on your family, friends and church networks.

James Condon & Warwick Marsh
